THE PROBLEM

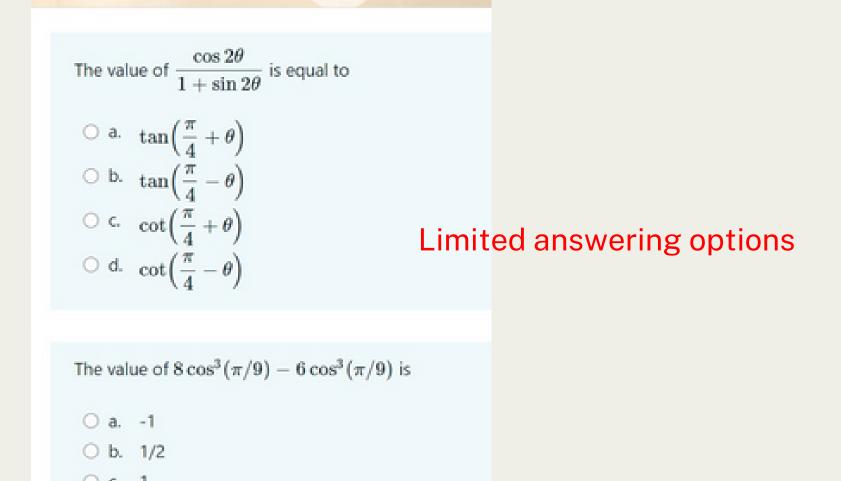

A lot of content... Not being reused

SOLUTION

Simple and minimalistic tools

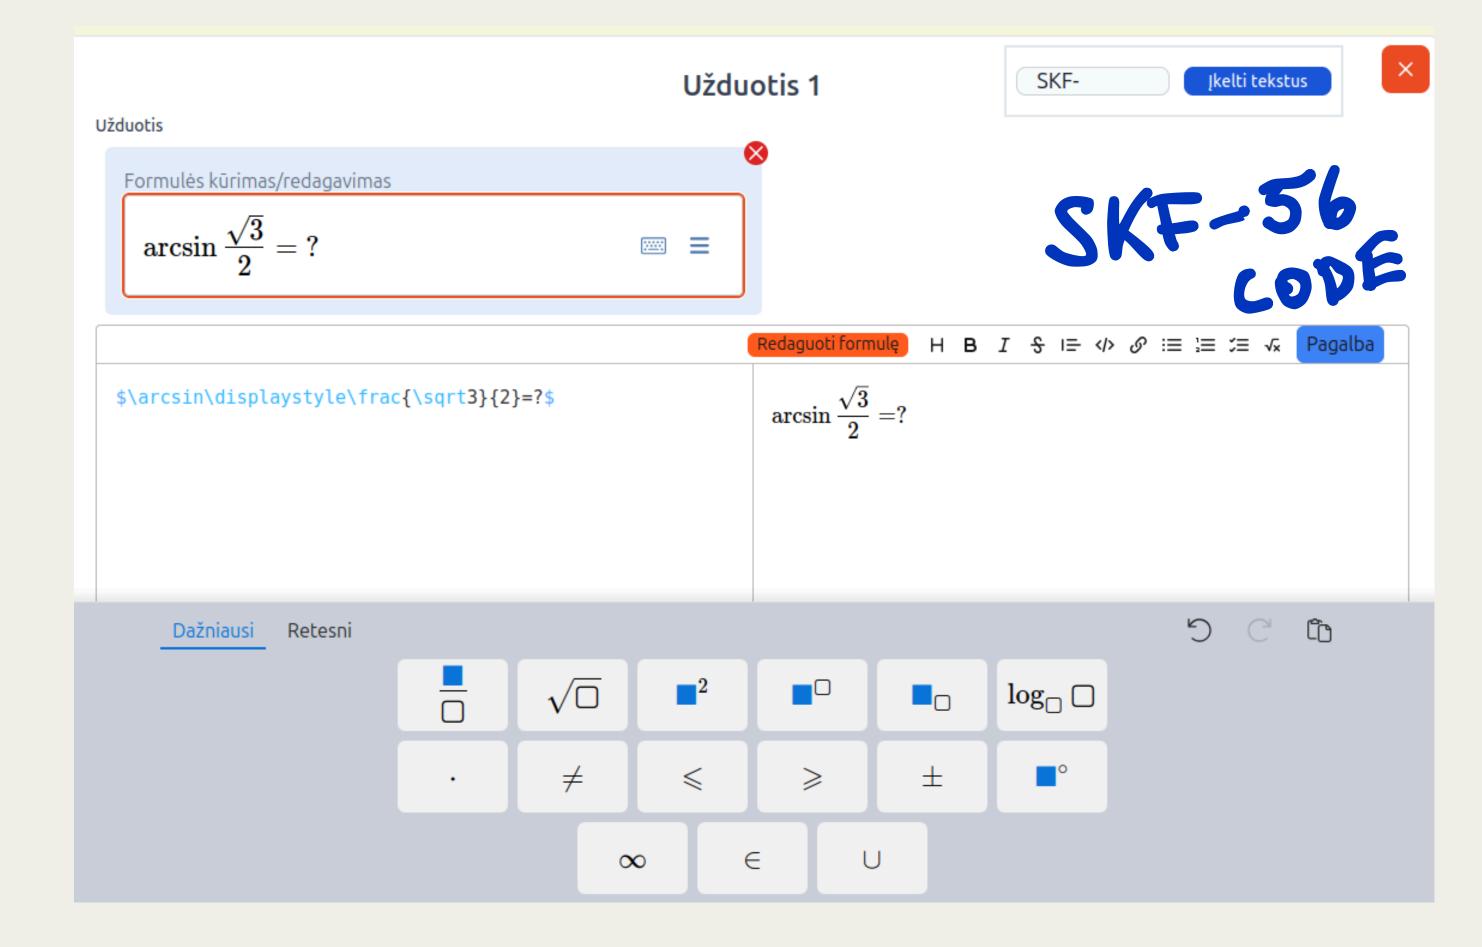

Problem sheet generator

• Content bank CREATE - unique code SHARE

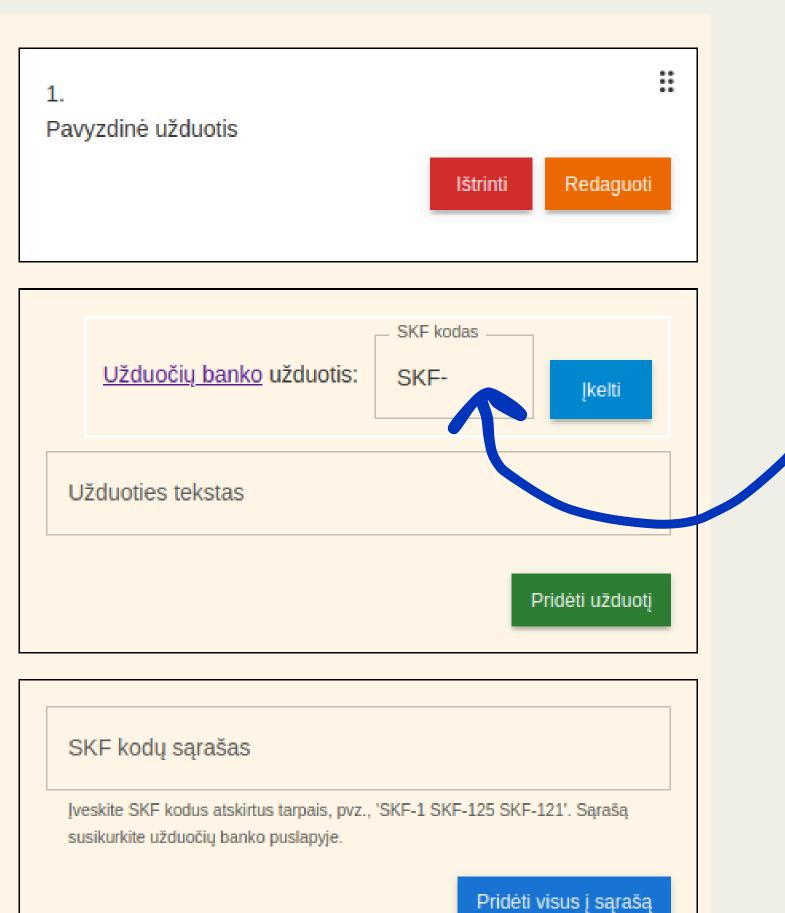

Assessment platform <

Other tools...

Content bank

Problem sheet generator

ulload ske-56

MARKET AND BUSINESS MODEL

Audience: TEACHERS and SCHOOLS in Lithuania (and beyond?)

Opportunity: adjust for students to learn independently

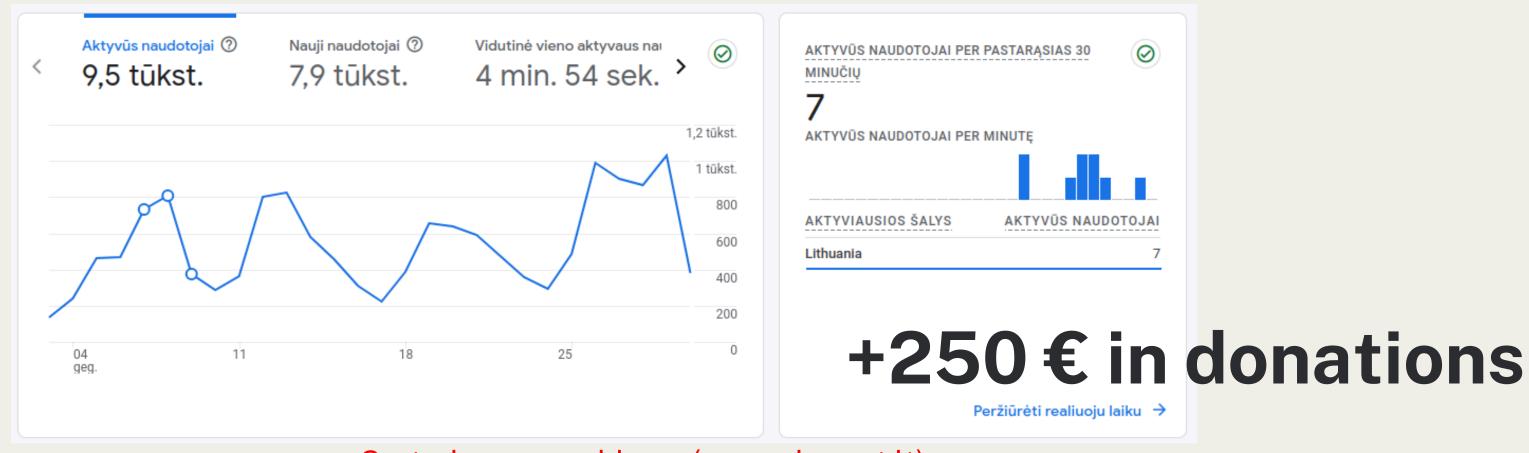

Business model: subscription or sharing content

- 1. Encourage teachers to share content
- 2. Target schools for subscription
- 3. Limited functionality for free

Roadmap: in May - ready to use basic system with content.

For students to prepare for exams

SUCCESS

Sorted exam problems (<u>www.vbesort.lt</u>)

Assessment platform (testai.skafis.lt):

75 registered users

Content bank (<u>bankas.skafis.lt</u>):

38 registered users

Expressed high demand among teachers (social media)
